

GLOBAL GOAL 3:

HEALTH AND WELL-BEING

Global Goal 3 aims to ensure a healthy life for all and to promote global well-being. At Give Steel, we also work on health and well-being in order to promote a good working environment. A safe workplace is crucial and requires complete focus on safety, both in production and on construction sites so that we can prevent accidents at work.

3.5 Preventing drug abuse: We prevent drug abuse by employing young people with social problems and are able to perform drug testing in our production facility.

3.6 Fewer traffic accidents: We contribute to safer driving on Danish roads by focusing on traffic safety, as defined in our Code of Conduct.

3.8 Health coverage: We offer health insurance for all our employees.

SUMMARY

- We prevent workplace accidents by actively promoting safety at work.
- We prevent drug abuse through drug testing and employment.
- We contribute to safer driving on Danish roads.
- We offer health insurance for all our employees.

UN SUSTAINABLE DEVELOPMENT GOAL 3:
GOOD HEALTH AND WELL-BEING

3.5 Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol.

3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents

3.8 Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all.
