

### GLOBAL GOAL 3:

## HEALTH AND WELL-BEING

Global Goal 3 aims to ensure a healthy life for all and to promote global well-being. At Give Steel, we also work on health and well-being in order to promote a good working environment. A safe workplace is crucial and requires complete focus on safety, both in production and on construction sites so that we can prevent accidents at work.

**3.5 Preventing drug abuse:** We prevent drug abuse by employing young people with social problems and are able to perform drug testing in our production facility.

**3.6 Fewer traffic accidents:** We contribute to safer driving on Danish roads by focusing on traffic safety, as defined in our Code of Conduct.

**3.8 Health coverage:** We offer health insurance for all our employees.

### SUMMARY

- We prevent workplace accidents by actively promoting safety at work.
- We prevent drug abuse through drug testing and employment.
- We contribute to safer driving on Danish roads.
- We offer health insurance for all our employees.

### UN SUSTAINABLE DEVELOPMENT GOAL 3: GOOD HEALTH AND WELL-BEING

**3.5** Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol.

**3.6** By 2020, halve the number of global deaths and injuries from road traffic accidents

**3.8** Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all.
